About Us

Under the pragmatic mentorship of Mr. Rajendra Pawar, we have taken Anron Chemicals Company to global heights of success, prosperity and recognition. Since 1996, we have been working responsibly as a manufacturer and exporter of a comprehensive range of Industrial Chemicals. Our company always stays ready to go above & beyond and meet the exact requirements of customers for highly effective chemicals. The product line offered by us contains Antimony Salt, Sodium Cryolite, Calcium Bromide, Potassium Nitrite, Copper Acetate, Zinc Carbonate, Mono Sodium Phosphate Powder and many other items. At our premise, we keep large volumes of chemicals qualified as per international standards and well-packed with appropriate & safe material for fulfilling the urgent

For decades, we have been strengthening our business relations with clients through our customer-driven, transparent and ethical workflow & management. The sole intention of our firm always remains to achieve satisfaction of customers to the fullest.

Key Facts

No of Staff	55
